TWO CENTS

ELKS WILL HOLD MEMORIAL SERVICES ON SUNDAY NEXT

Appropriate Program Prepared as Tribute to Departed Brothers

COL. EDWARD MARTIN TO SPEAK

The annual memorial services of Charleroi Lodge No. 494, B. P. O. E. will be held in the High school auditorium, Sunday afternoon, December 5, at 3 o'clock p. m. During the past year six members of the Lodge have answered the final summons, James J. Hitt, Myron B. Jones, Hamilton M. Booth, William B. Farrell, Cornelius O'Shea and W. D. Donaldson.

The memorial committee, composed of George W. Risbeck, Chas. S. Bateman, Walter Urban, Thomas H. Warrensford and S. W. Sharpneck, has prepared a special program for the occasion, opening with a prelude by Miss Bertha Easter, and followed by a tenor solo, "Come, Ye Blessed," by C. Warren Kinder.

The opening of the memorial services will be in charge of Henry L. Swickey, Exalted Ruler, after which Rev. E. N. Duty will deliver the invocation, to be followed by a vocal duet, "Peace to This Dwelling," by Miss Ethel Barth and C. Warren Kinder. The eulogy will be delivered by W. R. Gaut and the Memorial Address by Col. Edward Martin, Past Exalted Ruler of Waynesburg Lodge No. 757. Following the address Miss Ethel Barth will sing, "How Beautiful Upon the Mountain," after which the benediction will be pronounced by the Rev. Mr. Duty, which will bring the exercises to a close.

These exercises are open to the public and it is hoped that the auditorium will be filled to capacity by members of the fraternity, members of their families and friends. The program is unusually interesting this year and should serve to attract a large concourse of people.

CHARGED WITH GAMBLING; FINED BY THE BURGESS

On complaint of two young men who claimed to have lost all their money while gambling, officers Welsh and Thomas arrested the proprietors of the Royal pool room, near Seventh street on Fallowfield avenue, on Saturday night last, and brought them before the Burgess for a hearing. The two defendants while admitting that card playing was conducted in a back room, at first denied getting a "rake-off," but the young men who made the complaint stated the house took "chips" at intervals as their share of the receipts. The defendants were found guilty by the Burgess and each fined \$8, which together with the costs, made a total of \$10, which was paid.

NO ARRESTS YET MADE FOR RECENT FIRES

Authorities at Fayette City on Saturday denied that any arrests had yet been made for any of the recent fires in that locality. They are at present working on the clue furnished on Friday last, that of a man attempting to force entry to the Belle Vernon school building. The man was fired on when he was about to raise one of the windows.

HIGHWAYMEN ARE ACTIVE NEAR BRIDGE

It is said that numerous holdups are being reported in the vicinity of the Wireton end of the Charleroi-Monessen bridge, but in every case the highwaymen have made their escape. One victim reported one day last week that after receiving his pay at the Monessen mills, he had been beaten and robbed by colored men while crossing the bridge.

Friday night last Joseph Vidris, while returning to his home in Wireton, was held up by three colored men, who beat him over the head and relieved him of his wallet, containing \$62.00. They were busily engaged in rifling his pockets, when a woman across the street gave the alarm from her bedroom window and the men fled. The victim returned to Monessen and reported the affair, and was so frightened that he refused to return home until daylight.

Another and even more bold holdup was staged the same morning a short distance above the Victoria hotel, where several colored men were busily engaged in going through the pockets of a man whom they held up at the point of a gun, when Mike Kohut, who conducts a small store near by, happened to come to the door. Taking in the situation he secured a revolver and firing into the air twice, frightened the thieves away.

WILL HOLD INQUEST WEDNESDAY AFTERNOON

An inquest to inquire into the circumstances surrounding the death of August Smith, who was shot by Osborne Gray at the plate works on the 26th of October will be held Wednesday afternoon at 2 o'clock. It will be remembered that the shooting followed an altercation between the two men, in which Gray charged Smith with spying on him. Smith died a short time after being taken to the local hospital. Coroner Greenlee will hold the inquest. Gray is now in the Washington county jail, being captured after quite a chase by the local police.

The Ladies Aid Society of Speers M. E. church will hold a bazaar and Bazaar on Thursday and Friday afternoon and evening, December 2 and 3 in Speers store room. 14914*

WILL SHOW GREAT PICTURE AT MAJESTIC

Classics have been written about newspaper work. They have been classics of action but have failed to reflect the actual atmosphere of a newspaper office. Plays have been based upon the romances which are daily happenings in the "game" of gathering and disseminating the news, but they have also failed in giving a correct impression due to the limitation of the speaking stage. Now Marshall Neilan, the motion picture director, has braved the satirical criticism which the newspapermen heap upon those who offer an incorrect depiction of their craft, by producing a picture founded entirely upon the gathering of all the news connected with one of the most startling events which ever took place in a small city.

"Go and Get It," is the title he has given to it. It is the instructions which the city editor gives to the reporter who unravels the mystery that has baffled the police. As natural as the action of the reporter is the whole atmosphere of the picture which shows the making of a great newspaper from the gathering of the original facts embodied in a story to the press room where the papers are turned out ready for sale on the streets. This picture will be seen at the Majestic today and tomorrow.

STIFF SENTENCE FOR VIOLATING AUTO LAWS

George Ribar, aged 19, of Uniontown, convicted at the September term of criminal court of Fayette county of a violation of the automobile laws, was sentenced on Tuesday last before Judge E. H. Reppert, to pay the costs, a fine of \$100 and undergo imprisonment of three months in the county jail, but upon payment of the fine and costs sentence would be suspended and he would be placed on parole for a period of one year, the stipulations of which would be that he would refrain from the use of liquor during that period, would not drive and surrendered his license, and report the 1st Monday of each month to the parole officer. Upon any violation of this parole sentence would be enforced forthwith.

Ribar was convicted of driving an automobile while under the influence of liquor. The judge stated that the defendant's age was the only thing that appealed to his sense of leniency in such a case.

THIEVES ROB JEWELRY STORE IN MONESSEN

The jewelry store of William Moss on Schoonmaker avenue, Monessen, was robbed of several hundred dollars worth of goods sometime during Sunday night. The plate glass window in the store front was broken, after which the thieves made quite a haul. Police are now working on the case.

The Monday Musical Club will meet in the Sunday School room of the Washington avenue Presbyterian church this evening. 14911*

LIQUOR SELLERS HELD FOR COURT

Twenty-two persons arrested in recent raids in Fayette county for illegal liquor selling, were given a hearing in Uniontown on Friday last. Of this number 14 were held under \$1,000 bail for their appearance at court, one was discharged, while seven were held over until this week.

Among those arrested were Joe Bondi and Louis Zaccovic of Fayette City, and John Jane of Gillespie. Officers testified that beer, moonshine whiskey and "jakey" had been purchased at these places, and sales taking place in October last. Beer was sold at 30 cents per bottle, and moonshine whiskey at \$3 a quart. All of these accused were held for court under \$1,000 bail, which was furnished.

HEAVY PENALTY FOR RECKLESS DRIVING

Peter Oulig, of Monessen, before Burgess Stewart of that town this morning, on a charge of reckless driving, was fined \$25 and costs, making a total of \$27.71, while two companions who were with him in his automobile, and who were drunk, were fined \$10 and costs, making a total of \$12.

In addition to the fines the three men were compelled by the authorities to pay \$250 to the mother of little Mary Tott, who is aged seven years, and who was knocked down by the machine which Oulig was driving. The accident occurred Sunday afternoon on Schoonmaker avenue, in Monessen, the little girl having one wrist broken, a severe contusion on the head, her body badly bruised, while her clothing was badly damaged and the shoes torn from her feet. Oulig admitted to driving his machine recklessly, and he and his companions were more than willing to pay the additional money to keep the case from going to court.

OUTLAW MACHINE IS CAUSE OF ACCIDENT

An automobile bearing cards marked "License Applied For," which by the way is classed as outlaw, struck Calvin B. Power, highly respected citizen of Fairhope, one day last week, while he was walking along the pike near his home, knocking him down and injuring him very seriously about the head and body. Mr. Power is over 80 years of age. Following the accident the driver stopped his machine and assisted in taking Mr. Power to his home, after which he disappeared with his car. His identity is not known, as those attracted to the scene of the accident apparently were too much excited to look after this detail.

SALE OF RED SEALS BEGAN THIS MORNING IN CHARLEROI

PLAINTIFF GETS VERDICT IN A DAMAGE CASE.

In the suit of Oscar Allshouse, et al., against George Stabelein, a former constable of Charleroi, and John Moffitt, guardian, a damage claim for alleged unlawful sale of household goods in Charleroi, the jury at Washington on Wednesday morning in common pleas court returned a verdict in favor of the plaintiff for \$355.34, less a month's rent.

LYNN'S BARN BURNED SUNDAY MORNING

The barn on the Denton Lynn farm near Lynn's grove between Belle Vernon and Fayette City, and owned by Joseph Sumner and Martie Lynn, was completely destroyed by fire at 1:30 o'clock Sunday morning, entailing a loss of about \$5,000 partly covered by insurance. It is believed the fire was of incendiary origin, as people in the neighborhood, who were hurrying to the scene of the fire, saw an automobile drive rapidly out of the lane on which the barn was located, as they approached.

In the barn at the time of the fire were five cows, one horse, a lot of grain, farm implements and a number of chickens, which were lost in the fire. This is the second barn that has been burned in that vicinity within the past week, the other being the one owned by Clyde Martin.

HEAVY FINE FOR UNLAWFUL HUNTING

A number of Greeks, who occupy the Morgan estate farm in Speers borough, were before Justice of the Peace Nutt on Saturday last, charged with unlawfully possessing firearms and hunting, which was contrary to the law, as they are all aliens. The information was made by Game Warden Joseph Kennedy of Monongahela. After a hearing one of the accused was found guilty of the charges preferred and fined \$100 and costs, amounting in all to \$119.72, which were paid. The other men discharged were also believed guilty, but sufficient evidence to convict was not produced at the hearing. All of the accused, however, were warned by the Justice that owning firearms or hunting on their part was unlawful and would meet with heavy sentences, as they were not citizens of the United States. The guns and ammunition taken from the men were confiscated by the state authorities.

Marriage license was taken out in Washington on Saturday by Charles W. Nelson and Mary J. Horton, both of Charleroi.

New Design Adopted This Year, which Is Emblematic of Purpose

HOPE FOR INCREASED SALE

The National Tuberculosis Association has adopted a new design for the Christmas seal for this year which is a radical departure from designs formerly used, in that it suggests action out of doors and fresh air, the principal ingredients of any tuberculosis cure. The sale of seals which opened in Charleroi today, will be under direction of the Monday Musical Club, and the proceeds will be devoted to the care and treatment of tuberculosis patients and to a crusade for efficient health equipment wherever needed.

The new design for the seal is the work of Ernest Hamlin Baker, of New York. It portrays a happy, red-cheeked boy, clad in green, knit garments, with a green cap, mounted on the shoulders of a genial smiling Saint Nicholas, who wears the conventional warm red coat, trimmed with white fur and the usual equipment of white whiskers and white cap. The stamp bears the greeting "Merry Christmas" printed on the background and on the white margin along the bottom of the seal is printed the inscription, "Happy New Year."

The local organization which has the sale of seals for this community in charge hopes for a ready response on the part of the citizens, and anticipates that the record made last year will be equalled if not exceeded. As the money goes for a beneficent purpose, and will be applied to the needs of any from this locality who may be afflicted with tuberculosis, the sale should appeal with particular force to us all. The annual sale of seals and health bonds has been a feature of the Christmas season for a number of years, and has had continually grown in popular favor. This year should be no exception to the rule, for it is a movement in which every resident can take part. A nickel, a dime or a quarter spent for Red Seals means that you are contributing to a splendid cause. Help it along, even if your purchases be small.

CHURCH "MOVIES"

It is announced that five thousand churches in America have contracted to present moving pictures, and, whatever the individual churchman's attitude toward it, the facts of importance. Some will call it progress; others will see in it a concession to degenerating influences. Possibly a proportion of those who deplore it will reluctantly approve on the ground that the decrease in Sunday school attendance of four million in a single year calls for radical measures. Of course the object of church movies will be to instruct as well as to thrill and entertain, but if the churches can not hold their own by preaching the truth with zeal and power, they will not accomplish it through moving pictures.

As a means of instruction in Bible story, however, the movies could be remarkably effective, and nothing else could do as much in these times to fill the yawning gap in the Biblical education of the younger generation. The memorable narratives of the Old Testament have all the essential requirements for picturesque and effective moving-picture drama. The New Testament tells a greater story still, but one too sacred for theatrical handling. The dramatic appeal of the Bible stories is very powerful, even when they are merely read, as has been recognized by men composing the highest levels of literary taste. It was the dramatic quality as well as the poetic form of the stories of ancient Israel that caused Byron to say that, while the New Testament was to him a task he found the Old Testament a continuing joy. It is to be hoped that the 5,000 churches can afford to pay for the most skilled scenario writers and for screen actors of the highest ability. The great Bible stories call for and should have the best possible handling.

COAL CENTER MEN CONVICTED OF LARCENY

Paul Marcavich, Joe Litsus, and Peter Kaskonas, all of Coal Centre, were found guilty of larceny from the person by a jury in criminal court at Washington on Saturday last. Sentence was postponed until December 6. The case brought to an end the three weeks' session of the December term of criminal court. The case was before court all day Friday and was given to the jury just before court adjourned Friday evening.

The three defendants were tried for attacking Walter Solencky between Coal Centre and California on the night of October 13 last, and robbing him of \$96 in money and a valuable watch and chain. The prosecutor testified that he recognized the three defendants. The chain was afterwards recovered at a boarding house where two of the defendants roomed.

MONONGAHELA WILL HAVE STRONG RED CROSS

Monongahela, which is a part of the Washington County Red Cross, is still canvassing for membership, and already has secured approximately 1,500 enrollments, with prospects of a greater number. The CharleROI list is still open, and J. D. Berryman, chairman of the local Roll Call committee, hopes to see the number of members exceed the two thousand mark.

FEAR A SOCIAL AND FINANCIAL SUCCESS

The bazaar given during the past week for the benefit of St. Jerome's church was a grand success, socially and financially. Large crowds attended each night, and the committees wish to thank all who contributed in any way toward its success. Margaret Russell was the successful contestant for the walking doll.

GLASS IS BROKEN IN PHOTO GLASS CASE

A light of glass in one of the display cases of the Rehula studio, on Fallowfield avenue, was broken some time last night and a number of pictures taken. Mr. Rehula believes the breaking of the glass and the taking of the pictures was a deliberate act on the part of some one, but he has no clues as to the identity of the guilty parties. Several fine pictures were taken.

NEW TRIAL REFUSED TO BELLE VERNON MAN

A motion for a new trial was refused in the Fayette county courts on Tuesday to William L. Moyer of Belle Vernon, before Judge E. H. Reppert. Moyer was convicted at the September term of court of violation of the automobile laws. The prosecutor was M. J. Weller, who was driving a Ford car along the National Pike near Turkey's Nest on Sunday morning, July 29 last, when the defendant was alleged to have passed him driving a Dodge car, striking the Ford and driving it to the wall, causing it to upset and injure the occupants.

If Texas sees reason to trust the new government of Mexico the rest of the country ought to be able to do as much. The governor of that near by and watchful State has telegraphed the President that conditions in Mexico are now very promising and in his opinion recognition of the new government is in order.

Free Your Blood From Poison

Take Pepto-Mangan, the Famous
Blood Tonic Prescribed by Physi-
cians For 30 Years

Sluggish blood clogged with poi-
sons makes you lazy. You never feel
like getting up in the morning. And
when you do get up, you miss that
feeling of refreshing rest. You feel
more tired than when you went to
bed. After a good night's sleep you
should get up with a spring, feeling
alive, renewed, refreshed.

And you would too, if your blood
were full of red corpuscles. Your
complexion would look fresh, your
eyes bright and clear; you would feel
the warm tingle of good health.

Look to your blood if you have
that lazy, heavy feeling in the morn-
ing. Begin taking Pepto-Mangan—
the ideal tonic. It has blood-building
properties that pick you up and give
you strength.

Pepto-Mangan is widely and heart-
ily endorsed by physicians. It is ef-
fective and easy to take. It is pre-
pared in both liquid and tablet form.
Both have the same medicinal prop-
erties.

Sold at any drug store. But be
sure you get the genuine Pepto-Man-
gan—"Gude's." Ask for it by the
full name and be sure the full name
"Gude's Pepto-Mangan," is on the
package. Advt.

WE GIVE THANKS

It is good for us all to give one day each year to honest
recognition of the things we have to be thankful for.
—This November we, as a Nation, again give thanks in
memory of the Armistice that brought us peace.
—And we appreciate more keenly than ever the privilege
that is given us all as Americans, a voice in selecting those
who guide our national affairs.
—This Institution is thankful for the friends it has made,
for its many opportunities of serving them, and for the
vision of greater opportunities ahead.
—In keeping with the spirit of the day we shall be closed
for Thanksgiving, November 25th.
